

IN THE COMPETITION APPEAL TRIBUNAL

BETWEEN:

THE SECOND WAVE TRUCKS CLAIMANTS

Claimants

- v -

THE SECOND WAVE TRUCKS DEFENDANTS

Defendants

(the "Second Wave Trucks Proceedings")

Case Nos: 1296 etc

ORDER

UPON the following definitions applying for the purpose of this Order:

- "BFS Proceedings" means the proceedings with case number 1360/5/7/20 (T).
- "Scania Defendants" means the Seventh to Tenth Defendants in the BFS Proceedings.
- "BFS Claimants" means the Claimants in the BFS Proceedings.

UPON the BFS Claimants and the Scania Defendants no longer being in dispute with each other regarding the subject matter of the BFS Proceedings (the "**Resolution**")

AND UPON the BFS Claimants and the Scania Defendants having agreed to the terms of this Order

AND UPON the parties to this Order recognising the guidance of the Tribunal in the Tribunal's Ruling on Umbrella Proceedings Cost Sharing Orders, [2024] CAT 12:

- (1) The effect of the settlement is that the BFS Claimants (the "Settling Claimants") cease to have a claim against the Scania Defendants (the "Settling Defendants") and therefore the Settling Claimants cease to be parties to the Second Wave Trucks Proceedings. To the extent that the Tribunal has any costs jurisdiction over the Settling Claimants and/or the Settling Defendants (as to which this order says nothing), a costs order against one of them in favour of the other may not be a just exercise of the Tribunal's costs discretion.
- Whilst the Settling Defendants (if still parties to the Second Wave Trucks Proceedings) would be entitled, as appropriate, to seek costs orders against those claimants in the Second Wave Trucks Proceedings who have not settled ("Non-Settling Claimants"), the Tribunal will be reluctant to order such Non-Settling Claimants to pay costs that are attributable to the Settling Claimants.
- (3) The Tribunal may, accordingly, reduce the costs recoverable by the Settling Defendants (if still parties to the Second Wave Trucks Proceedings) against Non-Settling Claimants by an amount referable to the costs incurred prior to the date of the settlement that would (but for the settlement) have been paid by the Settling Claimants.
- (4) Whilst the Settling Claimants (if still a party to the Second Wave Trucks Proceedings) would be entitled, as appropriate, to seek costs orders against those defendants in the Second Wave Trucks Proceedings who have not settled ("Non-Settling Defendants"), the Tribunal will be reluctant to order such Non-Settling Defendants to pay costs that are attributable to the Settling Defendants.
- (5) The Tribunal may, accordingly, reduce the costs recoverable by the Settling Claimants (if still a party to the Second Wave Trucks Proceedings) against Non-Settling Defendants by an amount referable to the costs incurred prior to the date of the settlement that would (but for the settlement) have been paid by the Settling Defendants.

BY CONSENT IT IS ORDERED THAT:

1. The BFS Proceedings be dismissed.

2. There shall be no order as to costs.

The Honourable Lord ErichtChair of the Competition Appeal Tribunal

Made: 1 August 2024 Drawn: 1 August 2024
